The United Nations Industrial Development Organisation (UNIDO) is providing technical assistance in the implementation of the Ghana Component of the European Union funded West Africa Competitiveness (WACOMP) Programme.

The Project objective is to strengthen the export competitiveness of the Ghanaian economy through enhanced value-added, low carbon, sustainable production and processing and an increased access to regional and international markets. As a means, the Project aims to improve the performance and growth of the following value chains: (i) Cassava, (ii) Fruits (mango and pineapple) and (iii) Cosmetics and personal care products, by improving the quality of their products, exports and its integration into regional and global value chains.

On behalf of UNIDO, the National Implementation Unit of the project, invites qualified institutions/business support organizations/professional associations in Ghana to submit a firm offer to provide services, supplies or works, as required by the project, with objectives related, but not limited, to:

- Opening new markets; increasing Ghana exports to regional and International Markets;
- Increasing the quality of products;
- Increasing productivity through training and personnel development;
- Fostering intra-regional coop. to enhance productivity and capitalise on economies of scale;
- Encouraging cluster development and upgrade of Small and Medium Enterprise (SME) capacity;
- Promoting programmes which will impact on underdeveloped areas or disadvantage sectors within the region (e.g. rural area development and gender).
